

Wright McGraw Beyer's charitable contributions are part of our WMBA Cares initiative.

Take a look at some of the events we have participated in over the last few months.

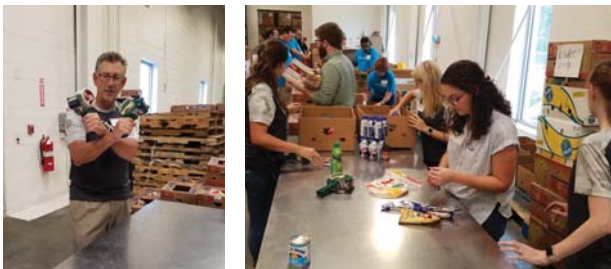

July 2018 - Christmas in July Toy Drive

WMBA organized a Christmas in July Toy Drive benefitting Atrium Health Levine Children's Hospital. The office donated toys and games for children of all ages. Special thanks to RMF Engineering and Brasfield & Gorrie for adding to our contributions to the toy drive.

August 2018 - Second Harvest Food Bank

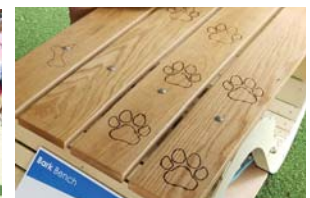

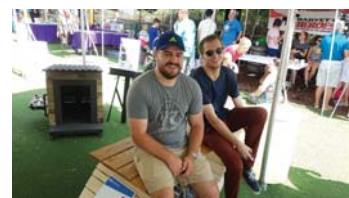

Several members of the WMBA studio volunteered for an afternoon at Second Harvest Food Bank of Metrolina. They checked and sorted several palettes worth of donated food, drinks, and household items. The items will then get packaged and distributed to families in need.

WMBA designed and built a unique dog house for BARKitecture CLT. The "Bark Bench" was designed as a multi-purpose bench with a cozy dog house underneath, complete with a comfy cushion, storage, and food bowls. The bench incorporates an organic frame with a wood and steel skeleton.

Special thanks to Robins & Morton for partnering with us again this year. They provided the wood planks used along the curve and bench top, along with the threaded rod structure holding the bench together. Brad Lucas also donated his time and expertise to the bench by wood burning the paw prints on the bench slats. Crafted by Laura Anne sewed the dog bed that sits underneath the bench.

Our "Bark Bench" won *Fido's Favorite* at the event, and was auctioned off for \$120. All proceeds were donated to local animal rescue charities.
